Global Environmental Products Awarded Sale of Allianz 3000 and 4000 Mechanical Sweeper Line

by Ranger Kidwell Ross – WorldSweeper.com

Global Environmental Products announced today that it has purchased the inventory and the rights to the Mechanical 3000 and 4000 Allianz Sweeper Product Lines.

San Bernardino, CA – August 25, 2011

Global Environmental Products was founded in March of 2011, and offers a range of innovative refuse receptacle sanitizing equipment. The company is also the Dealer for Johnston North America for the five boroughs of New York City. Global Environmental's President, Walter Pusic says, "I am very excited about the opportunities and services that this acquisition presents for our dealers and customers."

Global Environmental Products, Inc. (GEP) was founded in March of 2011, and offers a range of innovative refuse receptacle sanitizing equipment. With health concerns on the rise due to increased illness, customers are looking for a way to protect their loved ones from illness and disease. Cleaning garbage

cans has proven to be a very sought after service in markets within the United States.

Global Exhibits M3 at APWA in Denver, CO

by Chad Bormann – GSS

Denver, CO – September 19, 2011

Global Sweeping Solutions and Global Environmental Products were extremely excited and proud to launch the Global M3 mechanical street sweeper at APWA in Denver, CO. The M3 is the continuation of the Allianz 3000.

Vice President of Sales, Chad Bormann says, "It is a great feeling to be back in the 3-wheel sweeper market with such a safe, effective, and reliable product."

The unit displayed at APWA was produced and sold to the City of Lakewood, CO, with two more on the production line in San Bernardino, CA – also purchased by Lakewood, CO.

GEP Purchases Allianz IP and Inventory

Global Environmental Products announced today that it has purchased the inventory and the rights to the Mechanical 3000 and 4000 Allianz Sweeper Product Lines.

Supporting our Customers

by Chad Bormann

San Bernardino, CA – October 20, 2011

Allianz/ Johnston Mechanical Sweeper customers should not fear – Global Support is here!

Many uncertainties surfaced as a result of the closing of Allianz Sweeper Company in March 2011.

Global Sweeping Solutions, Inc. is a full service street sweeper parts distribution company located in San Bernardino, California.

With a specialized focus on providing OEM parts and support for Allianz/Johnston 3000, 4000 and MX450 mechanical street sweepers, Global is your go to source for all your needs associated with these products.

Our Location:

Located at 4985 Hallmark Parkway, San Bernardino, CA 92407, Global Sweeping

Solutions is strategically located near the Long Beach Seaport and major shipping hubs for both UPS and FedEx. Our location is also conveniently located off major interstates for ease of package shipments. With over 20,000 square feet for parts warehousing and order processing alone, Global Sweeping Solutions has the facility to accommodate any of your Street Sweeper parts needs.

The Allianz 3000 and 4000 are back as the Global M3 and M4, and are being

built in San Bernardino, CA at this very moment.

PRIMARY FOCUS PARTS FOCUS IS FOR ALLIANZ 3000 AND 4000 MODELS!

\$3M worth of Allianz 3000 and 4000 parts immediately available to keep you sweeping!

OUR THANKS

Management from Global Sweeping Solutions and Global Environmental Products would like to extend a warm Thank You to all those that have supported us as we worked to build and continue growing this business. Without our loyal employees, dealer network, and customers, we could not have accomplished what we have thus far.

It is with great pride that we will continue producing reliable equipment, and offer after sale support second to no other.

A Sincere Thank You to You All.

From: Walter Pusic, Chad Bormann, Sebastian Mentelski, and Jason Condon
